

SUMMARY

The purpose of the Team Referee Program is to help ensure that AYSO Region 92 recruits, trains, certifies and fields enough volunteer referees to officiate at our Regional games. In this Program, volunteers agree to referee games during our Regional Season. This document describes the implementation details of the Team Referee Program in AYSO Region 92 (El Segundo) for the 2009-2010 Season.

Teams in all divisions will compete in pool play during the regular season regardless of the team’s participation in the volunteer program. During the 2009-2010 Fall Season, each team in Divisions U10 through U14 earning 20 Team Referee Points by volunteering for referee assignments will qualify for recognition of their accomplishment. For U10, U12 and U14, this volunteer achievement will make the team eligible for post-season Regional Playoffs, which lead to Area and Section Playoffs.
