Team Referee Program Guidelines
 Board approved May 10, 2010

SUMMARY

The purpose of the Team Referee Program is to help ensure that AYSO Region 92 recruits, trains, certifies and fields enough volunteer referees to officiate at our Regional games. In this Program, volunteers agree to referee games during our Regular Fall Season. This document describes the implementation details of the Team Referee Program in AYSO Region 92 (El Segundo) for the 2010-2011 Season.

Teams in all divisions will compete in pool play during the regular season regardless of the team’s participation in the volunteer program. During the Fall Season, each team in Divisions U10 through U14 earning sufficient Team Referee Points by volunteering for referee assignments will qualify for post-season Regional Playoffs, which lead to Area and Section Playoffs.

U-12	22	Larger roster size

U-10	1	1	Newly trained referees start here
U-12	2	1	(Center) Referee role requires experience at U-10
